

TD-3KV V-Drums

V-Compact Series

Availability: April **RRP:** £749

The TD-3KV is an upgrade drum kit from the TD-3 Kit. The new PD-85BK (eight-inch dual-trigger mesh pad) is added for the snare, which makes it a complete three-tom drum kit. With an affordable price, you can enjoy the expressive sounds of the TD-3 and the silent and realistic playing feel of the PD-85BK mesh pad.
